

DTM and Partners Toolkit

IOM's Daunia Pavone and Simone Holladay explain how the DTM and Partners Toolkit reflects elements of the PIM Framework.

What's New in PIM?

Daunia Pavone and Simone Holladay from IOM presented at the "What's New in PIM" Webinar on 13 January, 2021. The presentation explained how the PIM Framework is reflected in the DTM and Partners Toolkit.

What is the DTM and Partners Toolkit?

The DTM and Partners Toolkit is a collection of tools to support and strengthen cooperation in humanitarian contexts. The toolkit outlines how DTM and partners can cooperate to ensure the availability of useful and useable data to support humanitarian response, through a shared approach based on complementarity of roles and skillsets.
